

Fill in the gaps

Hello, it's me	It's no secret
I was wondering if after all these years	That the both of us are running out of time
You'd like to meet, to go (1) everything	So, hello from the other side
They say that time's supposed to heal ya	I must've called a thousand times to tell you
But I ain't done much healing	I'm sorry, for everything (16) I've done
Hello, can you hear me?	But when I call you never seem to be home
I'm in (2) dreaming about who we	Hello from the outside
used to be	At least I can say (17) I've (18) to te
When we (3) (4) and free	you
I've forgotten how it (5) before the world fell at our	I'm sorry, for breaking (19) heart
feet	But it don't matter, it clearly doesn't tear you apart anymore
There's (6) a (7)	Ooooohh, anymore
between us	Ooooohh, anymore
And a million miles	Ooooohh, anymore
Hello from the other side	Anymore
I must've (8) a thousand times to tell you	Hello from the other side
I'm sorry, for everything that I've done	I must've called a thousand (20) to tell you
But (9) I (10) you never (11)	I'm sorry, for everything (21) I've done
to be home	But when I call you never seem to be home
Hello from the outside	Hello (22) the outside
At least I can say that I've tried to tell you	At least I can say that I've tried to (23) you
I'm sorry, for breaking (12) heart	I'm sorry, for breaking (24) heart
But it don't matter, it clearly doesn't tear you (13)	But it don't matter, it (25) doesn't tear yo
anymore	apart anymore
Hello, how are you?	
It's so typical of me to (14) about myself	
I'm sorry, I hope that you're well	
Did you (15) make it out of that town
