### Fill in the gaps

#### Fairytale Of New York by The Pogues

It was christmas eve babe		then danced through the night							
in the drunk tank		The boys of the nypd choir							
an old man said to me, won't see another one		were singing "galway bay"							
and then he sang a song		and the bells were (6) out							
the rare old mountain dew I turned my face away and dreamed about you Got on a lucky one		for (7)	day						
		You're a bum you're a punk you're an old slut on junk							
					came in (1)	_ to one	lying there almost dead	d on a drip in (8)	bec
					I've got a feeling this year's for me and you so happy christmas		you scumbag, you maggot		
you cheap lousy faggot									
happy christmas your arse									
I love you baby		I pray god it's our last							
I can see a better time		the boys of the nypd choir							
when all our (2) come true		still singing "galway bay"							
They've got cars big as bars		and the bells were ringing out							
they've got rivers of gold		for christmas day							
but the (3) right through you		I could have been someone							
it's no place for the old		well so could anyone							
when you (5) took my hand		you took my dreams from me							
on a cold christmas eve		when I (9) found you							
you promised me		I kept them with me babe							
broadway was waiting for me		I put them with my own							
You were handsome		can't make it all alone							
you were pretty		I've built my dreams around you							
queen of new york city		The (10) of the nypd choir							
when the band finished playing		still singing "galway bay"							
they howled out for more		and the bells are ringing out							
sinatra was swinging,		for christmas day							
all the drunks they were singing									
we kissed on a corner
