And I'm wishing they'd (2) tryna turn me off	So I can get it running
I want it all, mmm, mmm	Just cause nobody's (16) it
And I'm walking on a wire, trying to go higher	Y'all don't think I can run it
Feels like I'm surrounded by (3) and liars	But look, I've been here, I've (17) it
Even when I (4) it all (5)	Impossible? Please
I want it all, mmm, mmm	Watch, I do it with (18)
We can get 'em running, running, running	You just gotta believe
We can get 'em running running, running	Come on, come on with me
Just like fire, burning out the way	
If I can light the world up for just one day	Oh, what you (19) do?
Watch this madness, (6) charade	(What, what?)
No one can be just (7) me any way	Oh, what you (20) do?
Just like magic, I'll be flying free	(What, what?)
I'mma disappear when they come for me	Oh, what you (21) do?
I (8) that ceiling, what you gonna take?	(What, what?)
No one can be just like me any way	Oh, what you (22) do?
Just like fire, uh	Just (23) fire, burning out the way
And (9) to (11)	If I can light the world up for just one day
at you cause they are all the same, mmm, mmm	Watch this madness, colorful (24)
See I would (12) we just go our different way	No one can be just like me any way
than play the game, mmm, mmm	Just like fire, burning out the way
And no matter the weather, we can do it (13)	If I can light the world up for just one day
You and me together, forever and ever	Watch this madness, colorful charade
We don't have to worry about a thing, not a thing	No one can be just (25) me any way
We can get 'em running, running, running	Just like magic, I'll be flying free
We can get 'em running, running, (14)	I'mma disappear when (26) come for me
Just like fire, burning out the way	I kick that ceiling, what you gonna take?

Watch this madness, colorful charade	Just like fire, fire
No one can be just like me any way	Running, running, running
Just like magic, I'll be flying free	Just like fire
I'mma disappear when they (15) for me	Running, running, running
I kick that ceiling, what you gonna take?	
No one can be just like me any way	
Just like fire, fire
