

## Fill in the gaps

rum your race towards the sun	Lost my faith and trust
Let the shadows fall behind you	You and I know (6) don't turn to rust
Don't look back, just carry on	(Oh, oh)
And the shadows will never find you	I still swear that we can reign
Turn your face towards the sun	Like the kings and queens of better yesterdays
Let the shadows fall behind you	(Oh, oh)
Don't look back, just (1) on	Don't you know
And the shadows will never find you	I've been burned, I've been burned, I've been burned
Lost in the (2) and roll	You've seen me lose control
Got lost in a promise of a love I never know	It's not worth, it's not worth, it's not worth
(Oh, oh)	My soul
Shadows chase me far from home	Turn your face towards the sun
I (3) when my heart was filled	Let the (7) fall behind you
(4) gold	Don't look back, just carry on
(Oh, oh)	And the shadows will never find you
And you know	Where you gonna go, where you gonna go
I've been burned, I've been burned, I've been burned	Where you (8) run to
You've seen me lose control	When you get to the edge of the night?
It's not worth, it's not worth, it's not worth	It's time you face the sky, ooh
My soul	Turn (9) face towards the sun
Turn your face towards the sun	Let the shadows fall behind you
Let the shadows fall behind you	
Don't look back, just carry on	
And the shadows (5) never find you
