

Fill in the gaps

The snow glows white on the mountain tonight	No right, no wrong, no rules for me
Not a footprint to be seen	I'm free!
A (1) of isolation, and it looks (2)	_ Let it go, let it go
I'm the queen	I am one with the wind and sky
The wind is howling like this swirling storm inside	Let it go, let it go
Couldn't keep it in, (3) knows I've tried	You'll never see me cry
Don't let them in, don't let them see	Here I stand
Be the good girl you always have to be	And here I'll stay
Conceal, don't feel, don't let (4) know	Let the (8) rage on
Well now (5) know	My power flurries (9) the air into the ground
Let it go, let it go	My soul is spiraling in frozen fractals all around
Can't hold it back anymore	And one thought crystallizes like an icy blast
Let it go, let it go	I'm never going back, the past is in the past
Turn away and slam the door	Let it go, let it go
I don't care what they're going to say	And I'll rise like the break of dawn
Let the storm rage on	Let it go, let it go
The cold never bothered me anyway	That perfect girl is gone
It's (6) how some distance	Here I stand
Makes everything seem small	In the light of day
And the fears that once controlled me	Let the storm rage on
Can't get to me at all	The cold never bothered me anyway
It's (7) to see what I can do	
To test the limits and break through
