

## Fill in the gaps

The snow glows white on the (1)	tonight	No right, no wrong, no rules for me
Not a footprint to be seen		I'm free!
A kingdom of isolation, and it looks like I'm the queen		Let it go, let it go
The wind is howling like (2)	swirling storm inside	I am one with the wind and sky
Couldn't keep it in, (3)	knows I've tried	Let it go, let it go
Don't let them in, don't let them see		You'll never see me cry
Be the good girl you always have to be		Here I stand
Conceal, don't feel, don't let them know		And here I'll stay
Well now they know		Let the storm rage on
Let it go, let it go		My power flurries through the air into the ground
Can't hold it back anymore		My soul is spiraling in frozen fractals all around
Let it go, let it go		And one thought crystallizes like an icy blast
Turn away and (4) the door		I'm never going back, the past is in the past
I don't care what they're going to say		Let it go, let it go
Let the storm (5) on		And I'll rise (7) the break of dawn
The cold never bothered me anyway		Let it go, let it go
It's funny how some distance		That (8) girl is gone
Makes everything seem small		Here I stand
And the fears that once (6)	me	In the light of day
Can't get to me at all		Let the storm rage on
It's time to see what I can do		The (9) never bothered me anyway
To test the limits and break through
