Fill in the gaps

Son For Her by Spice Girls Gem

Kids are laughing, (1)_____ 4 in the morning
Can't help smiling, can't (2)_____ yawning
Ladder in my tights that I think (3)_____ be (4)_____ forever
My head's in the days but the caffeine is fixing
Chasing the clock but I can't stop it ticking
Nobody knows but I'm (5)_____ just (6)_____ it together
[Pre-Chorus]
I'm spinning, I'm dropping, I'm brushing, I'm dressing
My (7)_____ they are all in today
[Chorus]
This is a song for her
You know you (8)_____ it up
'Cause you know who you are
Stand up, stand up
She's got that boom boom pop
That's something they (9)_____ stop
She's got that oh-oh-oh-oh-oh
Song for her
Life is a river, wherever it's flowing
Jump on a bus, who knows where (10)_____ going
Stayed out all night, careless and carefree together
Where is that girl? Is she long gone or missing?
Can't bring her back (can't bring her) (11)_____ reminiscing
There in the mirror, (12)_____ shouting "I've been here forever"
[Pre-Chorus]
I'm burning, (13)_____ slipping, (14)_____ pushing, I'm yelling
But I (15)_____ got something to say
[Chorus]
This is a song for her
You (16)_____ you light it up
'Cause you know who you are
Stand up, (17)_____ up
She's got that boom boom pop
That's something they can't stop
She's got that oh-oh-oh-oh-oh, oh-oh-oh-oh
She's got that oh-oh-oh-oh-oh
Song for her
Wipe off your tears of (18)_____ you've been crying
Lift up your dreams and feel like you're flying
Never forget, the girl is the woman you are
(This is a song for her, (19)_____ for her)
(This is a song for her, song for her)
[Chorus]
This is a song for her
You know you light it up
'Cause you know who you are
Stand up, (20)_____ up
She's got that boom boom pop
That's something they can't stop
She's got that oh-oh-oh-oh-oh, oh-oh-oh-oh
She's got (21)_____ oh-oh-oh-oh-oh
Song for her
This is a song for her
You know you (22)_____ it up
'Cause you know who you are
Stand up, (23)_____ up
She's got that (24)_____ boom pop
That's (25)_____ they can't stop
She's got (26)_____ oh-oh-oh-oh-oh, oh-oh-oh-oh
She's got that oh-oh-oh-oh-oh
Song for her

Fill in the gaps

Answer

1. it’s
