

## Fill in the gaps

I've been on the low	When you're there
I (1) my time	Chest to chest with a lover
I (3) like I'm out of my mind	It's holding on, though the road's long
It feel (4) my (5) ain't mine	And seeing light in the darkest things
(Who can relate? Woo!)	And when you stare at your reflection
I've (6) on the low	Finally knowing who it is
I been taking my time	I know that you'll thank God you did
I (7) like I'm out of my mind	I know where you been, where you are, where you goin'
It feel like my life ain't mine	I (21) you're the reason I believe in life
I don't wanna be alive	What's the day (22) a little night?
I don't wanna be alive	I'm just tryna shed a little light
I just (8) die today	It can be hard
I just (9) die	It can be so hard
I don't wanna be alive	But you gotta live right now
I don't wanna be alive	You got everything to (23) right now
I just wanna die	I've been on the low
And let me tell you why	I been taking my time
All this (10) shit I'm talkin' 'bout they	I feel like I'm out of my mind
(11) they know it	It (24) like my life ain't mine
I've been praying for somebody to save me, no one's heroic	(Who can relate? Woo!)
And my life don't (12) matter, I know it, I know it	I've been on the low
I know I'm hurting deep down but can't show it	I been (25) my time
I never had a (13) to (14) my own	I feel like I'm out of my mind
I never had a home, ain't nobody callin' my phone	It feel like my life ain't mine
Where you been? Where you at? What's on your mind?	I finally wanna be alive
They say (15) life precious but nobody care	I finally wanna be alive
about mine	I don't wanna die today
I've been on the low	I don't wanna die
I been taking my time	I (26) wanna be alive
I feel like I'm out of my mind	I finally wanna be alive
It (16) my life ain't mine	I don't wanna die
(Who can relate? Woo!)	I don't wanna die
I've (18) on the low	Pain don't hurt the same, I know
I been taking my time	The lane I (27) feels alone
I feel like I'm out of my mind	But I'm moving 'til my legs give out
It feel like my life ain't mine	And I see my tears melt in the snow
I want you to be alive	But I don't wanna cry
I (19) you to be alive	I don't wanna cry anymore
You don't gotta die today	I wanna feel alive
You don't gotta die	I don't even wanna die anymore
I want you to be alive	Oh I don't wanna
I want you to be alive	I don't wanna
You don't gotta die	I don't even wanna die anymore
Now lemme tell you why	
It's the (20) first breath	
When your head's been drowning underwater	
And it's the lightness in the air	

## Fill in the gaps
