

And it's the lightness in the air

Fill in the gaps

I've been on the low	When you're there	
I been (1) my time	Chest to chest with a lover	
I feel like I'm out of my mind	It's holding on, though the road's long	
It feel like my life ain't mine	And seeing light in the darkest things	
(Who can relate? Woo!)	And when you stare at your reflection	
I've been on the low	Finally knowing who it is	
I been taking my time	I know that you'll thank God you did	
I feel like I'm out of my mind	I know where you been, (7)	you are, where you
It (2) like my (3) ain't mine	goin'	
I don't wanna be alive	I know you're the reason I believe in life	
I don't wanna be alive	What's the day without a little night?	
I just wanna die today	I'm just tryna shed a little light	
I just wanna die	It can be hard	
I don't wanna be alive	It can be so hard	
I don't wanna be alive	But you gotta live right now	
I just wanna die	You got everything to give right now	
And let me tell you why	I've been on the low	
All (4) other shit I'm talkin' 'bout they think they	I been (8) my time	
know it	I feel (9) I'm out of my mind	
I've been praying for somebody to save me, no one's heroic	It feel like my life ain't mine	
And my life don't even matter, I know it, I know it	(Who can relate? Woo!)	
I know I'm hurting deep (5) but can't show it	I've been on the low	
I never had a place to call my own	I been taking my time	
I never had a home, ain't (6) callin' my phone	I feel (10) I'm out of my mind	
Where you been? Where you at? What's on your mind?	It feel like my life ain't mine	
They say every life precious but nobody care about mine	I finally wanna be alive	
I've been on the low	I finally wanna be alive	
I been taking my time	I don't wanna die today	
I feel like I'm out of my mind	I don't wanna die	
It feel like my life ain't mine	I finally wanna be alive	
(Who can relate? Woo!)	I finally wanna be alive	
I've been on the low	I don't wanna die	
I been taking my time	I don't wanna die	
I feel like I'm out of my mind	Pain don't hurt the same, I know	
It feel like my life ain't mine	The lane I travel feels alone	
I want you to be alive	But I'm moving 'til my legs give out	
I want you to be alive	And I see my tears melt in the snow	
You don't gotta die today	But I don't wanna cry	
You don't gotta die	I don't wanna cry anymore	
I want you to be alive	I wanna feel alive	
I want you to be alive	I don't even wanna die anymore	
You don't gotta die	Oh I don't wanna	
Now lemme tell you why	I don't wanna	
It's the very first breath	I don't even wanna die anymore	
When your head's been drowning underwater		

- 1. taking
