## Hard To Find by Skillet

Turned on the TV yesterday
So much pain bleeding through I had to look away
But inside me the picture's just the same
And every time I open up my eyes nothing seems to change
It never seems to change
You give me (1)_____ to believe there's a way
To put the past finally behind me
And hope to make it through another night
You (2)_____ me strength during these dark times when (3)_____ blind
You are my light when faith is hard to find
When faith is hard to find
Will you still hold on
Something woke me in the night
In the midst of the darkness I recognize the light
Now inside me the picture seems so clear
All the dying in my broken (4)_____ is starting to appear
Starting to appear
You give me faith to believe there's a way
To put the past finally behind me
And hope to make it through another night
You give me strength (5)_____ these dark times when I'm blind
You are my light (6)_____ faith is hard to find
Faith is hard to find
If I fall will you hold on to me
Through it all promise you won't lose me
These days hope is hard to come by
And tonight I don't know how I can't survive
You give me faith to (7)_____ there's a way
To put the past finally behind me
And hope to (8)_____ it through another night
You give me strength during these dark times when I'm blind
You are my light when faith is hard to find
When faith is hard to find
Will you (9)_____ hold on
You give me (10)_____ to believe there's a way
To put the past finally behind me
And hope to make it through another night
You give me strength during these dark times when I'm blind
You are my light when faith is hard to find
