

Everything she doesn't see.

Fill in the gaps

[Jade:]	(Know that right here, right now)
She lives in the shadow of a (1) girl	You (8) speak up, you gotta shout out,
Voice so (2) you don't hear a word,	And know that right here, right now,
Always talking but she can't be heard,	You can be beautiful, wonderful,
Leigh- Anne:]	Anything you wanna be, oh,
You can see there if you (3) her eye,	Little me
know she's brave but it's trapped inside,	Little me, yeah
Scared to talk but she don't (4) why,	[Leigh-Anne:]
Nish I knew back then	Tell you one thing I would say to her
What I know now.	[All:]
Nish I could somehow	I'd tell her to speak up, tell her to shout out,
Go back in time and maybe listen to my own advice.	Talk a bit louder, be a bit prouder,
'd tell her to speak up, tell her to shout out,	Tell her she's beautiful, wonderful,
Talk a bit louder, be a bit prouder,	Everything she doesn't see.
Tell her she's beautiful, wonderful,	(You got to) you gotta speak up, (You got to) you gotta shout
Everything she doesn't see,	out,
You gotta speak up, you gotta shout out,	And know that right here, right now,
And know that right here, right now,	You can be beautiful, wonderful,
You can be beautiful, wonderful,	Anything you wanna be,
Anything you wanna be,	Little me
Jesy:]	I'd tell her to speak up, tell her to shout out,
Little me	Talk a bit louder, be a bit prouder,
Yeah, you got a lot of time to act your age,	Tell her she's beautiful, wonderful,
You can't write a book from a (5) page,	Everything she doesn't see.
Hands on the clock only turn one way,	You gotta speak up, you gotta shout out,
(Yeah)	And know that right here, right now,
Perrie:]	You can be beautiful, wonderful,
Run too fast and you'll risk it all,	Anything you wanna be,
Can't be afraid to (6) a fall,	I'd tell her to speak up, tell her to shout out,
Felt so big but she looks so small,	Talk a bit louder, be a bit prouder,
Wish I knew back then	Tell her she's beautiful, wonderful,
What I know now.	Everything she doesn't see.
Nish I (7) somehow	You gotta (9) up, you gotta shout out,
Go back in time and maybe listen to my own advice.	And know that right here, right now,
'd tell her to speak up, tell her to shout out,	You can be beautiful, wonderful,
Talk a bit louder, be a bit prouder,	Anything you wanna be,
Tell her she's beautiful, wonderful.	Little me
