Fill in the gaps

After The Love Has Gone by Earth, Wind & Fire

For awhile, to love was all we could do	Till sadness was all we shared
We were (1) and we knew	We were scared
In our eyes (2) alive	This affair would (17) our love into
Deep inside we (3) our love was true	Something (18) (19) the
For awhile, we paid no mind to the past	way
We knew (4) would last	Yesterday was all we had
Every night, something right	Something happened (20) the way
Would invite us to begin the day	What used to be happy is sad
Something happened along the way	Something happened along the way
What (5) to be happy was sad	Yesterday was all we had
Something happened along the way	And, oh, after the (21) has gone
And yesterday was all we had	How could you lead me on
And, oh, after the love has gone	And not let me stay around?
How could you (6) me on	Oh, oh, oh, after the love has gone
And not let me (7) ?	What (22) to be right is wrong
Oh, oh, oh, after the love has gone	Can love that's lost be found?
What used to be (9) is wrong	Oh, oh, oh, oh, oh
Can love that's (10) be found?	After the (23) has gone
For awhile, to (11) each other (12) all	What used to be (24) is wrong
We (13) ever need	Can love that's lost be found?
Love was (14) for so long	Oh, oh, oh, oh, oh
Never knew that (15) was	After the love has gone
Wrong, oh, baby, wasn't right	What used to be right is wrong
We tried to find (16) we had	Can love that's (25) be found?
