

Fill in the gaps

Take a breath	That if you fall, stumble down
I pull myself together	I'll pick you up off the ground
Just (1) step till I reach the door	If you lose (6) in you
You'll never know the way it tears me up inside to see you	I'll give you strength to pull through
I wish that I could (2) you something	Tell me you won't (7) up cause I'll be waiting if you
To take it all away	fall
Sometimes I wish I could save you	Oh you (8) I'll be (9) for you
And there're so many things that I want you to know	(Ahahaha)
I won't give up till it's over	If only I could find the answer
If it takes you forever I want you to know	To take it all away
When I hear your voice	Sometimes i wish i (10) save you
Its drowning in a whisper	And there're so many things that I want you to know
It's just skin and bones	I wont give up till it's over
There's nothing (3) to take	If it takes you forever I want you to know
And no matter what I do I can't make you feel better	(Oh)
If only I could find the answer	I wish I could save you
To help me understand	I want you to know
Sometimes I wish I could save you	(Ohohh)
And there're so many things that I (4) you to know	I wish I could save you (oh)
I wont give up till it's over	
If it takes you forever I (5) you to know
