

## Fill in the gaps

I've tried playing it cool		Get out, get out, get out of my head
Girl when I'm looking at you		And (6) into my (7) instead
I can never be brave		I don't, I don't, don't know what it is
Cuz you make my heart race		But I need that One Thing
Shot me out of the sky		So!
You're my kryptonite		Get out, get out, get out of my mind
You keep making me weak		And c'mon, come in into my life
Yeah frozen and can't breath		I don't, I don't, don't know what it is
Some (1)	gotta get loud	But I need that One Thing
Cause if not, (2)	just don't make you see	Yeah, you've got that One Thing
That I need you here with me now		Oh-whoa Oh-whoa oh. Oh-whoa.
Cuz you've got (3) One Thing		You've got that One Thing
So!		Get out, get out of my head
Get out, get out, get out of my head		I'm falling to my arms instead
And fall into my arms instead		So!
I don't, I don't, don't know what it is		Get out, get out of my head
But I need that One Thing		I'm falling to my (8) instead
Yeah, you've got that One Thing		I don't, I don't, don't know (9) it is
Now I'm (4)	the walls	But I need that One Thing
But you don't (5)	at all	So!
That I'm going out of my mind		Get out, get out of my mind
All day and all night		(Out of my mind)
Some things gotta get loud		And c'mon, come in into my life
Cuz I'm dying just to know your name		I don't, I don't, don't know what it is
And I need you here with me now		But I need that One Thing
Cuz you've got that One Thing		Yeah, you've got that One Thing
So!
