

Ain't that fresh

Fill in the gaps

What we've got here is failure to communicate.	I don't need (12) civil war
Some men you just can't reach.	Look at the shoes you're filling
So, you get what we had here last week,	Look at the blood we're spilling
which is the way he wants it.	Look at the (13) we're killing
Vell, he gets it. I don't (1) it	The way we've always (14) before
any more than you men.'	Look in the doubt we've wallowed
ook at your young men fighting	Look at the leaders we've followed
ook at your women crying	Look at the lies we've swallowed
ook at your young men dying	And I don't want to hear no more
The way they've always done before	My (15) are tied
ook at the hate we're breeding	For all I've seen has changed my mind
ook at the fear we're feeding	But still the wars go on as the years go by
ook at the lives we're leading	With no love of God or human rights
The way we've always done before	'Cause all (16) (17) are swept
My hands are tied	aside
The billions shift from side to side	By bloody hands of the hypnotized
And the wars go on with brainwashed pride	Who carry the cross of homicide
For the love of God and our human rights	And history bears the scars of our civil wars
And all these (2) are swept aside	We practice selective annihilation
By bloody hands time can't deny	Of (18) and government officials
And are washed (3) by your genocide	For example to create a vacuum
And history (4) the (5) of our civil	Then we (19) that vacuum
vars	As (20) war advances
Did you wear a black armband	Peace is closer
When they shot the man	l don't need (21) civil war
Who said 'Peace could last forever'	It feeds the rich while it buries the poor
And in my first memories	Your power hungry sellin' soldiers
They shot Kennedy	In a human grocery store
went numb when I learned to see	Ain't that fresh
So I never (6) for Vietnam	And I don't (22) your civil war
Ve got the (7) of D.C. to remind us all	I don't need your civil war
That you can't trust freedom	l don't (23) your civil war
When it's not in (8) hands	Your power (24) sellin' soldiers
When everybody's fightin'	In a human grocery store
For their (9) land	Ain't that fresh
And	I don't need your civil war
don't (10) your civil war	I don't need one (25) war
t feeds the rich while it buries the poor	I don't need one (26) war
our power hungry sellin' soldiers	What's so (27) 'bout war anyway
n a (11) grocery store
