Fill in the gaps

All The Things She Said by Simple Minds

Don't you look back on a big lost world	You've (8) the fight so long, no surrender to
Crying out tomorrow	temptation
Don't you look down like the heroes say	Of all the things she said, she said
Come (1) me all about it	Stars will fall out for you
Take me to the streets where the (2)	Luck will surrender
burn	I'm calling out to you
Take me in your arms and I'll fade away	Oh to be near you in the first morning light
When I hear you say (3) you got to say	I'd be with you, I dream about you
Anywhere you go, you know I'll still be waiting	If I could leave here, I would leave (9) tonight
All the things she said, she said	I'd be with you, I'd stay with you tonight
Little darling close your eyes, there'll be no compromising	Tonight
Of all the things she said, she said	Anywhere you go, you know I'll still be waiting
Throw me to the street (4) the heartbeats	Of all the things she said, she said
beating	When I look into your eyes, I see a new day rising
'Beating all (5) me'	Oh all the things she said, she said
To the peaceful revolution	Through the eyes of love, and to never know what
And the perfect wave, surround me	(10) is
Tell me 'bout the ocean (6) in slow motion	Of all the things she said, she said
I see it glitter in the sun	She said, this is our time, she said, this is our place
Then it's freezing in the moonlight	This is the space my heart wants to be
Never look back, never look back, never look away	Little darling close your eyes, there'll be no compromising
If freedom comes and goes, you (7) I'll still be	All the things she said, she said
waiting	
All the things she said, she said	

- 1. tell
