Fill in the gaps

Even In The Quietest Moments by Supertramp

Even in the quietest moments		But still the (8) keep falling	
I wish I (1) what I had to do		They're raining from the sky	
And even though the sun is shining		Well there's a lot of me got to go under before I get high	
Well I feel the rain here it comes again, dear		Don't you let the sun disappear	
And even when you showed me		Don't you let the sun disappear	
My heart was out of tune		Don't you let the sun be leaving	
For there's a shadow of doubt that's not letting me find you too		No, you can't be leaving my life	
soon		Say that you won't be leaving my life	
The music that you gave me		Say (9) you won't be (10)	my
The language of my soul		life	
Oh Lord, I want to be (2) you.		Say won't you please, stay won't you please	
Won't you let me come in from the cold?		Say won't you please, stay won't you please	
Don't you let the sun fade away		Lord, won't you come and get into my life	
Don't you let the sun fade away		Lord, won't you come and get into my life	
Don't you let the sun be leaving		Say won't you please, stay won't you please	
Won't you come to me soon		Say won't you please, stay won't you please	
And even (3)	the stars are listening	Lord, don't go	
And the ocean's deep, I just go to sleep		And even when the song is over	
And then I create a (4)	movie	Where have I been was it just a dream?	
You become the star, is that	(5) you are, dear?	And though your door is always open	
Your whisper tells a secret		Where do I begin may I please come in, dear?	
Your (6)	brings me joy		
And a wonder of (7)	I'm Nature's own little		
hov
