The Logical Song by Supertramp

Fill in the gaps

When I was young, it seemed (1) life was so wonderful,
a miracle, oh it was beautiful, magical.
And all the birds in the trees, well they'd be singing so happily,
joyfully, playfully watching me.
But then they send me away to teach me how to be sensible,
logical, responsible, practical.
And they showed me a (2) where I could be so dependable,
clinical, intellectual, cynical.
There are times (3) all the world's asleep,
the questions run too deep
for (4) a simple man.
Won't you please, please tell me what we've learned
I know it sounds absurd
but please tell me who I am.
Now watch what you say or they'll be (5) you a radical,
liberal, fanatical, criminal.
Won't you sign up your name, we'd like to feel you're
acceptable, respecable, presentable, a vegtable!
At night, when all the world's asleep,
the (6) run so deep
for such a simple man.
Won't you please, please tell me what we've learned
I know it (7) absurd
but please tell me who I am.
