I sit and wait	And as the feeling grows
does an angel (1) my fate	She brings flesh to my bones
And do they know	And when love is dead
The (2) where we go	I'm loving (14) instead
When we're grey and old	And through it all she offers me protection
'cause I have been told	A lot of (15) and affection
That salvation (3) (4) wings unfold	Whether I'm (16) or wrong
So when I'm lying in my bed	And down the waterfall
Thoughts (5) (6) my	Wherever it may take me
head	I (17) that life won't (18) me
And I feel (7) love is dead	When I come to call
I'm (8) angels instead	She won't (19) me
And through it all she (9) me protection	I'm loving (20) instead
A lot of love and affection	(Instrumental)
Whether I'm right or wrong	And through it all she offers me protection
And down the waterfall	A lot of (21) and affection
Wherever it may (10) me	Whether I'm right or wrong
I know that life won't break me	And (22) the waterfall
When I come to call	Wherever it may take me
She won't forsake me	I know that life won't (23) me
I'm (11) angels instead	When I come to call
When I'm feeling weak	She won't forsake me
And my pain walks down a one way street	I'm (24) (25) instead
I look above	
And I (12) I'll (13) be blessed with
