

Fill in the gaps

I can see you in the morning (1) you go to school
Don't forget your books, you (2) you've got to learn the golden rule,
Teacher tells you stop your (3) and get on (4) (5) work
And be like Johnnie - too-good, well don't you know he never shirks
- he's coming along!
After School is over you're playing in the park
Don't be out too late, don't let it get too dark
They tell you not to hang around and learn what life's about
And grow up just like them - won't you let it (6) it out
- and you're full of doubt
Don't do this and don't do that
What are (7) trying to do?- Make a good boy of you
Do they know where it's at?
Don't criticize, they're old and wise
Do as they tell you to
Don't want the devil to
Come out and put your eyes
Maybe I'm mistaken expecting you to fight
Or maybe I'm just crazy, I don't (8) wrong (9) right
But while I am still living, I've just got (10) to say
It's always up to you if you want to be that
want to see that
want to see that way
- you're coming along!
