### Saw Her Standing There by The Beatles

| vveii, sne was just seventeen,                 |      |
|--|------|
| You (1) I mean,                                |      |
| And the way she (3) was way beyond compare.    |      |
| So how could I (4) with another (ooh)          |      |
| When I saw her standin' there.                 |      |
| Well she looked at me, and I, I (5) see        |      |
| That before too long I'd (6) in love with her. |      |
| She wouldn't dance (7) another (whooh)         |      |
| When I saw her standin' there.                 |      |
| Well, my (8) went "boom,"                      |      |
| When I (9) that room,                          |      |
| And I (10) her hand in mine                    |      |
| Well, we danced through the night,             |      |
| And we (11) (12) tight,                        |      |
| And (14) too (15) I fell in love (16) her.     |      |
| Now, I'll (17) (18) with (19) (who             | ooh) |
| When I saw her standing there                  |      |
| Well, my heart (20) "boom,"                    |      |
| When I crossed that room,                      |      |
| And I held her hand in mine                    |      |
| Oh, we danced through the night,               |      |
| And we (21) (22) tight,                        |      |
| And (24) too long I fell in (25) with her.     |      |
| Now I'll never (26) another (whooh)            |      |
| Since I saw her (28) there 3x                  |      |
