

Fill in the gaps

You would not believe your eyes	(Please (5) me away from here)
If ten million fireflies	Why do I tire of (6) sheep?
Lit up the world as I fell asleep	(Please take me away from here)
'Cause they fill the open air,	When I'm far too tired to fall asleep
And leave teardrops everywhere	To ten million fireflies
You'd (1) me rude, but I would just stand and	I'm weird 'cause I hate good-byes
stare	I got misty eyes as (7) said (8)
I'd like to make myself believe	(they said farewell)
That planet Earth turns slowly	But I'll know where several are
It's (2) to say that I'd rather stay awake when I'm	If my (9) get real bizarre
asleep	'Cause I saved a few and I keep them in a jar(jar, jar, jar)
'Cause everything is never as it seems	I'd like to make myself believe
'Cause I get a (3) hugs	That planet (10) turns slowly
From ten thousand lightning bugs	It's hard to say that I'd rather stay awake when I'm asleep
As they try to teach me how to dance	'Cause everything is never as it seems (when I fall asleep)
A foxtrot above my head,	I'd like to make myself believe
A sock hop beneath my bed,	That planet Earth turns slowly
A disco ball is just hanging by a thread (thread, thread)	It's hard to say that I'd rather stay awake when I'm asleep
I'd like to make (4) believe	'Cause everything is never as it seems (when I fall asleep)
That planet Earth turns slowly	I'd like to make myself believe
It's hard to say that I'd rather stay awake when I'm asleep	That planet Earth turns slowly
'Cause everything is never as it seems (when I fall asleep)	It's hard to say that I'd rather stay awake when I'm asleep
Leave my door open just a crack	Because my dreams are bursting at the seams
(Please take me away from here)	
'Cause I feel like such an insomniac
