Fireflies by Owl City

You would not believe your eyes

If ten million fireflies

Lit up the world as I fell asleep

'Cause they fill the open air,

And leave teardrops everywhere

You'd think me rude, but I would just stand and... stare

I'd like to make myself believe

That planet Earth turns slowly

It's hard to say that I'd rather stay awake when I'm asleep

'Cause everything is never as it seems

'Cause I get a thousand hugs

From ten thousand lightning bugs

As they try to teach me how to dance

A foxtrot above my head,

A sock hop beneath my bed,

A disco ball is just hanging by a thread (thread, thread)

I'd like to make myself believe

That planet Earth turns slowly

It's hard to say that I'd (1)_____ stay awake when I'm asleep

'Cause everything is never as it seems (when I (2)_____ asleep)

Leave my door open just a crack

(Please take me away (3)_____ here)

'Cause I feel like such an insomniac

(Please (4)_____ me away from here)

Why do I tire of counting sheep?

(Please take me away from here)

When I'm far too tired to fall asleep

To ten million fireflies

I'm weird 'cause I (5)_____ good-byes

I got (6)_____ eyes as they said farewell (they said farewell)

But I'll know where several are

If my dreams get real bizarre

'Cause I saved a few and I keep them in a jar(jar, jar, jar)

I'd (7)_____ to make myself believe

That planet Earth turns slowly

It's hard to say that I'd rather stay awake when I'm asleep

'Cause (8)_____ is never as it seems (when I fall asleep)

I'd like to make myself believe

That planet (9)_____ turns slowly

It's hard to say that I'd rather stay awake when I'm asleep

'Cause everything is never as it seems (when I (10)_____ asleep)

I'd like to make myself believe

That planet Earth turns slowly

It's hard to say that I'd rather stay awake when I'm asleep

Because my dreams are bursting at the seams

Fill in the gaps
