

## Fill in the gaps

You would not believe your eyes	(Please take me away from here)
If ten (1) fireflies	Why do I tire of counting sheep?
Lit up the world as I fell asleep	(Please take me away from here)
'Cause they (2) the open air,	When I'm far too tired to fall asleep
And leave teardrops everywhere	To ten million fireflies
You'd (3) me rude, but I would just	I'm (14) 'cause I hate good-byes
(4) and stare	I got misty eyes as they (15) farewell (they said
I'd like to make myself believe	farewell)
That (5) Earth turns slowly	But I'll know where several are
It's (6) to say that I'd rather (7) awake	If my dreams get real bizarre
when I'm asleep	'Cause I saved a few and I keep them in a jar(jar, jar, jar)
'Cause (8) is never as it seems	I'd like to make myself believe
'Cause I get a (9) hugs	That planet Earth (16) slowly
From ten thousand lightning bugs	It's hard to say that I'd rather stay (17) when I'm
As they try to teach me how to dance	asleep
A foxtrot above my head,	'Cause everything is never as it seems (when I (18)
A sock hop beneath my bed,	asleep)
A disco (10) is just (11) by a	I'd like to (19) myself believe
thread (thread, thread)	That planet Earth (20) slowly
I'd like to make myself believe	It's hard to say (21) I'd rather (22)
That planet Earth (12) slowly	(23) when I'm asleep
It's hard to say that I'd rather stay awake when I'm asleep	'Cause everything is never as it seems (when I (24)
'Cause everything is (13) as it seems (when I fall	asleep)
asleep)	I'd like to make myself believe
Leave my door open just a crack	That planet Earth (25) slowly
(Please take me away from here)	It's hard to say that I'd rather stay awake when I'm asleep
'Cause I feel like such an insomniac	Because my dreams are bursting at the seams

## 1. million

- 2. fill
- 3. think
- 4. stand
- 5. planet
- 6. hard
- 7. stay
- 8. everything
- 9. thousand
- 10. ball
- 11. hanging
- 12. turns
- 13. never
- 14. weird
- 15. said
- 16. turns
- 17. awake
- 18. fall
- 19. make
- 20. turns
- 21. that
- 22. stay
- 23. awake
- 24. fall
- 25. turns
