

Fill in the gaps

You would not believe your eyes	(Please (5) me away from here)
If ten million fireflies	Why do I tire of counting sheep?
Lit up the world as I fell asleep	(Please (6) me away from here)
'Cause they fill the open air,	When I'm far too (7) to fall asleep
And leave teardrops everywhere	To ten million fireflies
You'd think me rude, but I would just stand and stare	I'm weird 'cause I hate good-byes
I'd like to make myself believe	I got misty eyes as (8) said farewell (they said
That planet Earth turns slowly	farewell)
It's (1) to say (2) I'd rather stay awake	But I'll know where several are
when I'm asleep	If my dreams get real bizarre
'Cause everything is never as it seems	'Cause I saved a few and I keep them in a jar(jar, jar, jar)
'Cause I get a thousand hugs	I'd like to make myself believe
From ten thousand lightning bugs	That planet Earth turns slowly
As they try to teach me how to dance	It's hard to say that I'd rather stay awake when I'm asleep
A foxtrot above my head,	'Cause everything is never as it seems (when I fall asleep)
A sock hop beneath my bed,	I'd like to make myself believe
A disco ball is just hanging by a thread (thread, thread)	That planet Earth turns slowly
I'd like to make myself believe	It's hard to say that I'd rather stay awake when I'm asleep
That planet (3) turns slowly	'Cause everything is never as it seems (when I fall asleep)
It's hard to say that I'd rather stay awake (4) I'm	I'd like to make myself believe
asleep	That planet Earth turns slowly
'Cause everything is never as it seems (when I fall asleep)	It's hard to say that I'd rather (9) awake when I'm
Leave my door open just a crack	asleep
(Please take me away from here)	Because my (10) are bursting at the seams
'Cause I feel like such an insomniac	

- 1. hard
- 2. that
- 3. Earth
- 4. when
- 5. take
- 6. take
- 7. tired
- 8. they
- 9. stay
- 10. dreams
