

Fill in the gaps

The wretched desert takes it's form,
the jackal (1) and tight,
in (2) of you i feel my way,
through slowest heaving night
whatever fear invents,
i swear it make no sense
i reach out through the border fence
come down, come talk to me
In the swirling curling storm of desire
unuttered words hold fast
with reptile tongue the lightning lashes
towers (3) to last
darkness creeps in like a thief
and offers no relief
why are you (4) like a leaf?
come on, come talk to me
Ah please talk to me
won't you please talk to me
we can unlock this misery
come on, come talk to me
I did not come to steal
this all is so unreal
can't you show me how you feel
come on, come talk to me
Come talk to me, come talk to me
The earthly power sucks shadowed milk,
from sleepy tears undone
from nippled skin as smooth as silk,
the bugles (5) as one
you lie there with your eyes half closed,
like there's noone there at all
there's a tension pulling on your face
come on, come talk to me
Won't you please talk to me

if you'd just talk to me unblock this misery if you'd only talk to me don't you ever change your mind now your future's so defined and you act so deaf so blind come on, come talk to me come (6)_____ to me, come talk to me I can imagine the moment breaking out through the silence all the things that we both might say and the heart it will not be denied 'til we're both on the same damn side all the barriers blown away I said please talk to me won't you please come talk to me just like it used to be come on, come talk to me i did not come to steal this all is so unreal can you show me how you feel now come on, come talk to me come talk to me, come talk to me I said please talk to me if you'd just talk to me unblock this misery if you'd only talk to me don't you (7)_____ change your mind now your future's so defined and you act so deaf so blind come on, (8)_____ (9)____ to me come talk to me, come talk to me

- 1. proud
