

Come Talk To Me by Bon Iver

The wretched desert takes it's form,
the jackal proud and tight,
in search of you i feel my way,
through (1)_____ heaving night
whatever fear invents,
i (2)_____ it make no sense
i (3)_____ out through the border fence
come down, come talk to me
In the swirling curling (4)_____ of desire
unuttered words hold fast
with reptile tongue the lightning lashes
towers built to last
darkness creeps in like a thief
and offers no relief
why are you (5)_____ (6)_____ a leaf?
come on, come talk to me
Ah (7)_____ talk to me
won't you please talk to me
we can unlock this misery
come on, come talk to me
I did not come to steal
this all is so unreal
can't you show me how you feel
come on, come talk to me
Come talk to me, come talk to me
The earthly (8)_____ (9)_____ shadowed milk,
from (10)_____ (11)_____ undone
from nippled skin as smooth as silk,
the bugles blow as one
you lie there with your eyes half closed,
like there's noone there at all
there's a tension pulling on your face
come on, come talk to me
Won't you please talk to me

if you'd just talk to me
unblock this misery
if you'd only talk to me
don't you ever (12)_____ your mind
now (13)_____ future's so defined
and you act so (14)_____ so blind
come on, come talk to me
come talk to me, come (15)_____ to me
I can imagine the moment
breaking out (16)_____ the silence
all the things that we both might say
and the heart it will not be denied
'til we're both on the (17)_____ damn side
all the barriers blown away
I said (18)_____ talk to me
won't you please (19)_____ talk to me
just (20)_____ it used to be
come on, come talk to me
i did not come to steal
this all is so unreal
can you (21)_____ me how you feel now
come on, come talk to me
come talk to me, come talk to me
I said please talk to me
if you'd (22)_____ (23)_____ to me
unblock this misery
if you'd only talk to me
don't you (24)_____ (25)_____ your mind
now (26)_____ future's so defined
and you act so deaf so blind
come on, come talk to me
come (27)_____ to me, come talk to me

Answer

Fill in the gaps

1. slowest
2. swear
