Come Talk To Me by Bon Iver

Fill in the gaps

The wretched desert (1)	it's form,	if you'd just talk to me		
the jackal proud and tight,		unblock this misery		
in search of you i feel my way,		if you'd only (18) to me		
through slowest (2)	night	don't you (19) (20) your mir		
whatever fear invents,		now your future's so defined		
i swear it make no sense		and you act so deaf so blind		
i (3) out (4)	the border fence	come on, come talk to me		
come down, come talk to me		come talk to me, come talk to me		
In the swirling curling storm of de-	sire	I can imagine the moment		
unuttered words hold fast		breaking out through the silence		
with reptile tongue the lightning lashes		all the things that we (21) might say		
towers (5) to last		and the (22) it will not be denied		
darkness (6) in lil	ke a thief	'til we're (23) on the (24) damn s		
and (7) no relief		all the barriers blown away		
why are you shaking like a leaf?		I said (25) to me		
come on, (8) talk to m	е	won't you please come talk to me		
Ah please talk to me		just like it used to be		
won't you please talk to me		come on, come talk to me		
we can unlock (9) mis	ery	i did not come to steal		
come on, come talk to me		this all is so unreal		
I did not come to steal		can you show me how you feel now		
this all is so unreal		come on, (27) talk to me		
can't you show me how you feel		come talk to me, come talk to me		
can't you show me how you feel come on, come (10) to me		I said (28) talk to me		
Come talk to me, come talk to me	•	if you'd just (29) to me		
The earthly power (11) (12)		unblock this misery		
milk,		if you'd only talk to me		
from sleepy tears undone		don't you (30) change your mind		
from (13) skin	as smooth as silk,	now your future's so defined		
the (14) blow as	one	and you act so deaf so blind		
you lie there with your (15)	half closed,	come on, come talk to me		
like there's noone there at all		come talk to me, come talk to me		
there's a (16) p	oulling on your face			
come on, come talk to me				
Won't you (17) ta	lk to me
