## I Don't Want To Talk About It by Rod Stewart

| I can tell by your eyes that you've     | Don't mean nothin' to you               |
|---|---|
| Prob'bly (1) cryin' forever             | They're (5) a mirror.                   |
| And the (2) in the sky                  | I don't wanna' talk about it            |
| Don't mean nothin' to you               | How you broke my heart                  |
| They're a mirror.                       | If I stay here just a little bit longer |
| I don't wanna' talk about it            | If I (6) (7) won't you lister           |
| How you broke my heart                  | To my heart, my heart                   |
| If I stay here just a little bit longer | Oh! my my heart, my heart.              |
| If I stay here won't you listen         | I don't wanna' (8) about it             |
| To my heart, my heart.                  | How you broke my heart.                 |
| If I stand all alone                    | If I stay here (9) a little bit longer  |
| Will the (3) the                        | If I (10) here                          |
| Colors of my heart                      | Won't you listen to my heart            |
| Blue for the tears                      | Oh! my heart.                           |
| Black for the night's fears             |   |
