

The stars in the sky

Fill in the gaps

I Don't Want To Talk About It by Rod Stewart

can tell by your eyes that you've	Don't mean nothin' to you
Prob'bly been cryin' forever	They're just a mirror.
And the stars in the sky	I don't wanna' talk (3) it
Don't mean nothin' to you	How you (4) my heart
They're a mirror.	If I stay here (5) a (6) bit longe
don't wanna' (1) about it	If I (7) here won't you listen
How you broke my heart	To my heart, my heart
f I stay here just a little bit longer	Oh! my my heart, my heart.
f I (2) here won't you listen	I don't wanna' (8) about it
To my heart, my heart.	How you broke my heart.
f I stand all alone	If I stay here just a little bit longer
Will the shadows hide the	If I stay here
Colors of my heart	Won't you listen to my heart
Blue for the tears	Oh! my heart.
Black for the night's fears
