

Fill in the gaps

If I had eyes in the back of my head	We were victims together but lonely
I would have told you that	You got hungry (5) (6) just can't look
You looked good	forward
As I walked away	Can't give them enough but we just can't start over
And if you could've tried to trust the hand that fed	Building with bent nails we're
You would've never been hungry	falling but holding, I don't wanna take up anymore of
But you never really be	(7) time
The more of this or less of (1) or is (2)	Time time time
any difference	Sometimes time doesn't heal
or are we just holding onto the (3) we don't	No not all
have anymore	Just stand still
Sometimes time doesn't heal	While we fall
No not at all	In or out of love (8) I doubt I'm gonna win you
Just stand still	back
While we fall	When you got eyes like that
In or out of love again I doubt I'm gonna win you back	It won't let me in
When you got eyes like that	Always looking out
It won't let me in	Always lookin'
Always looking out	
Lot of people spend (4) time just floating	

- 1. this
- 2. there
- 3. things
- 4. their
- 5. eyes
- 6. that
- 7. your
- 8. again
