Can see it in his eyes,	Bet she's delighted when she (17) him
That he's got a (5) ban	Pulling in and (18) her the eye
Amongst (6) other offences	Because she must be fucking freezing
And I've seen him with girls of the night	Scantily clad beneath the clear night sky
And he told Roxanne to put on her red light	It don't stop in the winter, no
They're all infected but he'll be alright	They said it (19) (20) the sur
Cause he's a scumbag, don't you know	goes down
l said he's a scumbag, don't you know!	Around here
Although you're trying not to listen	They said it (21) when the sun goes down
Avert (7) eyes and (8) at the	Over the river going out of town
ground	They (22) it changes when the sun goes down
She makes a subtle proposition	Around here
"I'm sorry love I'll have to (9) you down"	What a scummy man
He must be up to summat	Just give him half a chance
What are the chances sure it's more than likely	I bet he'll rob you if he can
