Perfect Strangers by Deep Purple

Fill in the gaps

Can you (1) remember my name
as I flow through your life
a (2) oceans I have flown
and cold spirits of ice
all my life
I am the echo of your past
I am returning the (3) of a (4) in time
distant (5) shine
a thousand warriors I have known
and laughing as the spirits appear
all your life
shadows of another day
And if you hear me talking on the wind
you've got to understand
we (6) remain
perfect strangers
I know I must remain inside this silent (7) of sorrow
A strand of silver hanging (8) the sky
touching more than you see
the voice of ages in your mind
is aching with the dead of the night
precious (9) (your tears are lost in
falling rain)
And if you hear me talking on the wind
you've got to understand
we must remain
perfect strangers
