

Fill in the gaps

You (1) (2)) mind	You, you don't really (17) stay, no
Like a girl changes clothes		You, but you don't really (18) go, oh
Yeah, you PMS like a bitch		You're hot (19) you're cold
I (3) know		You're yes then you're no
And you (4)	think	You're in and you're out
Always speak cryptically		You're up and you're down
I (5) know		Someone call the doctor
That you're no good for me		Got a case of a love bipolar
'Cause you're hot (6)	you're cold	Stuck on a rollercoaster
You're yes then you're no		Can't get off this ride
You're in and you're out		You (20) your mind
You're up and you're down		Like a girl (21) clothes
You're wrong when it's right	t	'Cause you're hot (22) you're cold
It's black and it's white		You're yes then you're no
We fight, we (7)	_ up	You're in and you're out
We kiss, we make up		You're up and you're down
You, you don't (8)	(9) stay, no	You're wrong when it's right
You, but you don't (10)	go,	It's black and it's white
oh		We fight, we break up
'Cause you're hot (12)	you're cold	We kiss, we (23) up
You're yes then you're no		'Cause you're hot (24) you're cold
You're in and you're out		You're yes then you're no
You're up and you're down		You're in and you're out
We used to be (13)	like twins, so in sync	You're up and you're down
The same energy now's a c	lead battery	You're wrong when it's right
Used to laugh 'bout nothing		It's black and it's white
Now you're plain boring		We fight, we (25) up
I (14) know	1	We kiss, we make up
That you're not gonna chan	ge	You, you don't really wanna stay, no
'Cause you're hot then you'	re cold	You, but you don't really wanna go, oh
You're yes (15) you're no		You're hot then you're cold
You're in and you're out		You're yes then you're no
You're up and you're down		You're in and you're out
You're wrong when it's right		You're up and you're down, down, down, down
It's black and it's white		
We fight, we break up		
We kiss, we (16)	up
