

Fill in the gaps

In the flinty light, it's midnight,	And I (13) laughing,
And stars collide.	All those lights just blaze away.
Shadows run, in full flight,	I (14) a (15) strange inside,
To run, (1) and hide.	A little Dr. Jekyll, a (16) Mr. Hyde.
I'm still not sure what part I play,	Yeah
In (2) (3) play, this shadow play.	Thoughts run wild, free as a child,
Well, In the half-light, on (4) mad night,	Into the night.
I (5) a voice in time.	Across the screen a thin beam,
Well, I (6) back, see a half-smile,	Of (17) light.
Then it's (7) from sight.	Tell me why (18) don't (19) the
Tell me, why (8) have changed,	same,
In this shadow play, this shadow play,	In (20) (21) play, this shadow play
I have to find my way,	I have to find my way,
In (9) shadow play.	In (22) shadow play.
Sounds come crashing,	I have to get away,
And I hear laughing,	In this shadow play,
All those lights just blaze away.	Well (23) me find my way,
I feel a (10) inside,	In this shadow play,
A little bit of Jekyll, a (12) Mr. Hyde.	Yeah
Sounds come crashing,
